+12% AOV from LegalZoom's estate planning revamp

60% less time to complete an estate plan

55 → 80% inventory health at Myntra supply chain

2× app conversion at Treebo (8% → 15%)

EXPERIENCE

LegalZoom
Nov '23 – Now

Staff UX Designer

- Design lead for LegalZoom's **estate planning** product, leading a full revamp of a 20-year-old legacy experience, driving a **12% AOV increase** and cutting task completion time by **60%**.
- Design lead for the **LegalZoom Business** mobile app and Contracts module, driving new business initiatives to boost customer engagement.
- Mentoring junior designers and collaborating with stakeholders across geographies and time zones to uphold brand consistency and elevate design quality.

SIXT
Apr '23 – Nov '23

Staff UX Designer

- IC design lead for the **SIXT RIDE** division, leading the branding and design overhaul of the vertical while collaborating with stakeholders globally.

Meesho
Mar '22 – Apr '23

Senior Design Manager

- UX manager for **Meesho Superstore** (grocery), leading a team of 3 designers on 0→1 strategic initiatives for tier-II/III (NBU) users, focusing on affordability over speed and enabling close collaboration between design, product and business.
- Improved hiring and org design by revamping UXD interview guidelines to reduce candidate drop-offs, and co-created a **career ladder and competency framework** with leadership.

Myntra
Aug '18 – Feb '22

Senior Design Manager — Oct '20 – Feb '22

- Led a team of **five designers** delivering strategic partner experience and supply chain initiatives, while advancing design maturity through mentorship, career development and team leadership.

UX Design Lead — Aug '18 – Sep '20

- Led cross-functional collaboration (UX, Dev, Product, Ops) to build a scalable **design system** and digitise offline logistics, boosting productivity by ~10% and lifting inventory health from **55% to 80%**.
- Redesigned end-to-end **returns management** to reduce bad inventory and cut restock/liquidation turnaround to **under 15 days**.

Treebo Hotels
Mar '17 – Jul '18

Senior UX Designer

- Designed the web-based **central reservation system** to manage properties, later converted into a SaaS solution for small and mid-size hoteliers.
- Doubled app conversion (**8% → 15%**) and grew PWA conversion ~5× (3% → 14%) by devising Treebo Rewards and non-refundable plans for logged-in users, a **3× lift** (10% → 32%) in post-login conversions.

SignEasy
Oct '15 – Feb '17

UX Designer

- First in-house UX designer: defined the visual language and workflows across iOS, Android and web, and designed the **Request Signature** feature, reducing turnaround time for in-person and remote signatures.
